North Cowichan Curbside Collection 2016-2018 Schedule

We've gone digital

North Cowichan has teamed up with ReCollect to create a smartphone app available for Apple iOS and Android. Receive notifications directly on your device, as well as search the Waste Wizard for acceptable items and alternative disposal locations.

Visit www.northcowichan.ca/curbside for links to download the app, explore the Waste Wizard, view a customized collection schedule for your property, and more information such as Frequently Asked Questions.

Want to stay informed? Sign up for Emergency Alerts by visiting our website at www.northcowichan.ca/ealert and subscribe to updates on current projects and events at www.northcowichan.ca/subscribe.

Curbside Collection guidelines

For a full list of acceptable items, use your smartphone app or visit www.northcowichan.ca/curbside for the Waste Wizard.

Kitchen Organics

Collected every week

Use specified green bin - 16 kg (35 lb) maximum weight for bin plus contents

Continue your backyard composting and visit CVRD Recycle Depots for free disposal of yard waste

Newspaper is preferred bin liner; if using bags they must show one of these logos to be acceptable:

For more information and FAQs visit www.northcowichan.ca/organics

Garbage

Collected on alternating weeks

ONE bin limit - 16 kg (35 lb) maximum weight for bin plus contents and 77 (20 Gal) maximum container size

Additional container tags can be purchased for \$3 at the Municipal Hall (maximum 2 tags per cycle per house)

Pet waste must be double-bagged

No sharps, syringes or broken glass unless securely wrapped

Use a lid to keep out animals and rain

For more information and FAQs visit www.northcowichan.ca/garbage

Recycling

Collected on alternating weeks

Recycling quantity is UNLIMITED

Multiple bins and yellow municipal recycling bags are acceptable

120 L (30 Gal) maximum container size

Multi Material BC changed the list of acceptable recyclables in 2015 allowing for more items to be collected

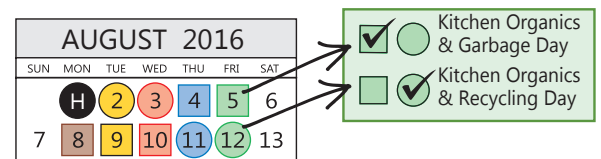

Styrofoam, glass, and film plastic are not accepted in Curbside Collection, but can be taken to recycle depots

For more information and FAQs visit www.northcowichan.ca/recycling

How to read your schedule

There are 5 collection zones in North Cowichan, each with A and B routes. The legend at the top of the calendar (see reverse side) shows a check mark next to the zone and route for your property. The shape on the calendar corresponds to that date's collection items.

Kitchen Organics are collected every week, while Recycling and Garbage collection are on alternating weeks.

In this example, dates with green squares correspond to Garbage Days, whereas dates with green circles are Recycling Days.

Report an issue

To report an issue with the collection of your recyclables, contact the Recycling Contractor at 250.715.0955.

For an issue regarding Kitchen Organics or Garbage, contact North Cowichan's Operations Department by calling 250.746.3106 or submit feedback online at www.northcowichan.ca/feedback.
