Within North Cowichan, approximately 35% of the land base is under forest management. A portion, 635 hectares (1569 acres) are privately owned and are subject to the BC Private Managed Forest Land Act & Regulations. Another 535 hectares (1321 acres) is owned by the Crown and is managed by the Ministry of Forests under the Forest Practices Code as part of their BC Timber Sales program. North Cowichan owns over 5000 hectares (12,580 acres) in six major blocks, which it currently operates as a community forest. These include areas on Mt. Prevost, Mt. Sicker, Maple Mtn., Richard Mtn., Stoney Hill, and Mount Tzouhalem.
