North Cowichan Community Plan

Public Hearing for the new Official Community Plan

Final
opportunity for
public input

A public hearing allows affected citizens to provide their views to their elected representatives on planning and land use bylaws. Before Council considers adoption of the new Official Community Plan (OCP), you can provide input:

- **Online:** Virtual public hearing on Monday, July 18 - 2pm until at least 6pm
- **In-person public hearing at Cowichan Exhibition Park:** Tuesday, July 19 - 2pm until at least 6pm
- **In writing:** by email to publicmeetings@northcowichan.ca

The public hearing is the final opportunity for public input on the OCP and will conclude a 2-year public and stakeholder engagement process.
